Further to our earlier communication as of 17 March in relation to Euro Investment Grade Corporate Bond fund and the communication as of 18 March 2020 in relation to Emerging Markets Debt Hard Currency fund, European Corporate Sustainable Bond fund, Global Corporate Sustainable Bond fund and Nordic Corporate Bond fund, according to which we informed you about the decision to suspend the net asset value calculation as well as the processing of subscription, switch and redemption orders in the Funds due to high volatility and liquidity constraints on the financial markets, please note that the management company of the SICAV, Danske Invest Management A/S, has decided to cancel the suspension as of 20 March 2020.
