Notice to Shareholders of the following fund of the SICAV:

Multi Asset Inflation Strategy

Luxembourg, 27 September 2024

Dear Shareholders,

We are writing to inform you that the Board of Directors of the SICAV (the "Board") has decided to liquidate the fund Multi Asset Inflation Strategy (the "Fund").

According to Article 28 of the SICAV's articles of incorporation

- (i) in the event that for any reason the value of the total net assets in any fund has decreased to, or has not reached, an amount determined by the SICAV's Board to be the minimum level for such fund to be operated in an economically efficient manner or,
- (ii) in case of a substantial modification in the political, economic, or monetary situation or,
- (iii) as a matter of economic rationalization or,
- (iv) if the interests of the shareholders would justify it

The Board may decide to redeem all the shares of the relevant fund at the net asset value per share (considering actual realization prices of investments and realization expenses) calculated on the Valuation Day at which such decision shall take effect.

1. Reason for the liquidation

Having considered all relevant factors, namely the fact that value of the total net assets of the Fund has decreased and has not reached, an amount determined by the SICAV's Board to be the minimum level for the Fund to be operated in an economically efficient manner, as well as no expectation of a commercial interest in the Fund, the Board is of the view that the contemplated termination of the Fund would be in the best interest of the Shareholders of the Fund.

The Board has therefore decided to close the Fund for subscription by any additional investor as of 27 September 2024, put the Fund into liquidation as of 27 September 2024 and start liquidating its portfolio (the "Liquidation") with the aim that the final net asset value calculation will be as of 7 October 2024, this latter date being an indicative date (the "Liquidation Date").

The Board will process the Liquidation in accordance with applicable Luxembourg laws and regulations.

2. Terms

The costs associated with this Liquidation will be borne by Danske Invest Management A/S, the Fund's management company.

Subscription, redemption, or switch of the shares in the Fund shall not be possible after 27 September 2024 12:00 PM/noon Luxembourg time.

The liquidation proceeds to be paid to the Fund's Shareholders will be determined and paid out as soon as possible after the Closure Date. After such closure of the Liquidation, any liquidation proceeds that cannot be distributed to the Fund's Shareholders will be deposited with the *Caisse de Consignation* in Luxembourg.

We recommend you seek advice from your usual tax advisor on the implications of the termination of the Fund.

If you have any questions concerning the Liquidation or any other aspect of the Fund, please contact your usual adviser.

Yours faithfully,

For and on behalf of the Board
